Letter no 132 Dy 1. 4. 1918
Submits report called for in Sl 2 re the temple of Sri Bilagiri Ranga Swami in the yelandur Jahagir

The Dy. Commrs. present report gives full information on the queries raised in Sl. 2.

The main complaint of the R A members who brought up the subject during the meetings of 1915 and 1916 was that great inconvenience was being felt by pilgrims who resorted the temple, for want of suitable accommodation. One of the queries of the Secretary (no. 4 in Sl. 2) was whether there is any necessity for erecting shelters for pilgrims and whether the temple resources permitted such erection. The Dy. Commrs. report is silent on the points. Further report on the points will be called for if directed -

The reason given is that it might have been invested in a Bank to the advantage of the Temple

Subsequent instalments should have been paid from.

The Jahagirdar may be asked to hold the Temple money separately, or otherwise, it may be, under by exception of accounts, be merged in Jahagir finances.

The amount is sufficiently big to be invested in P.O. orders - so that the interest may prove an addition to the Temple
